The latest in the word series from Wing and a Prayer Design for Timeless Treasures is “Beautiful Journey”, a tribute to the special women of our lives. Make an individual project for your Daughter, Sister, Mother and Grandmother; or combine them into one quilt, sure to be treasured by those who are taking the Journey. Project Panel and tossed word piece coordinates with the dainty floral and tonal prints of the current collection “Wildflower Rhapsody”.

*Use the Tonal Words in place of Tossed Words for personalization of blocks (signatures, embroidery, etc.)
